

DIGITAL ARTWORK REQUIREMENTS

Please provide all artwork either by:-
e-mail in a self extracting archive (Zip or Stuffit) to the address below or a CD ROM in post.

Artwork is to be APPLE MACINTOSH friendly using the following software:-

QuarkXpress version 6.5 or lower
Adobe Illustrator version CS2 or lower
Adobe Photoshop version CS2 or lower
Adobe In Design version CS2 or lower
Freehand version 10 or lower

It is usually possible to cross format information from the PC versions of the above software.

Please remember to include all relevant images at a minimum resolution of 300dpi.

Please also include all required fonts (System and Printer) or alternatively convert all text to outlines.

If you have any queries please do not hesitate to contact us.

Regards

Jon Weetman
Pre-Press Director
